

1. Credit Score Ranges

300-549: Poor; 550-649: Fair; 650-749: Good; 750-900: Excellent (qualifies for lowest interest rates).

2. Factors Influencing Score

Repayment History (35%), Credit Utilization Ratio (30% - keep below 30%), Credit Mix (25%), Hard Inquiries (10%).

3. How to Improve CIBIL Score

Pay all EMIs and credit card bills before due date. Keep credit utilization below 30%. Rectify errors on CIBIL report via dispute resolution. Do not apply for multiple loans simultaneously. Wait 6 months between applications.
